Consideration of Your Loan Application

It is suggested that contact be made with the BFS State Relationship Manager to discuss your financial needs when planning a proposed project or purchase. BFS may be able to assist in your planning process, and your feedback will also assist BFS in planning for your financial needs.

Please ensure your application is made at the earliest possible time. **In general, applicants should allow a minimum of 2 months from the actual lodgment of an application for a loan to the point where the loan advance can be made.** On receipt of your application, BFS will undertake any due diligence work and enquiry that it considers necessary to enable consideration of your loan application. This process may require that we contact any governing body or other churches within your network/association to confirm affiliation, church health and any other matters pertaining to the ability to service this loan. Where your application is approved, an Offer of Loan is made in writing requiring acceptance within 28 days and then our legal adviser will prepare and arrange execution of the first mortgage documents following which the loan funds will be available.
