The power to exercise voting rights may be direct or indirect (that is, through interposed entities), including where the individual is entrusted with, or has significant influence over, the exercise of the voting rights.

If such an individual cannot be identified, then a beneficial owner is any individual who holds the position of "Senior managing official", which means an individual who makes, or participates in making, decisions that affect the whole, or a substantial part, of the business of the client or who has the capacity to affect significantly the financial standing of the customer.
